Internal Affairs Commander/Supervisor,

As President of the North Carolina Internal Affairs Investigators Association, I am sending this invitation to you and your agency so that you may become a member of one of the most productive associations in our great State.

The NCIAlA has been in existence since 1985 and continues to grow within the State. As a member of the association your agency will be exposed to excellent training centered on Internal Affairs issues and procedures. It also affords you immediate contact with other Internal Affairs investigators throughout the State. We offer at least one basic school each year. The schools are held in various locations as to ease the cost of travel for agencies. In addition, we hold a week-long shoot school each year and locations vary. In July of each year we hold our annual training conference. The summer conference locations vary based on the decision of the Executive Board. The location will be forthcoming and posted on the NCIAlA website.

We would like to see your agency become an active member of the association. Membership for the association is \$50.00 per agency per year. Member agencies will receive a reduced rate for training schools. In addition, membership also provides an excellent opportunity to stay abreast on any changes pertaining to Internal Affairs investigations. The training provided by the association is presented by knowledgeable instructors and the training is centered on Internal Affairs issues.

Please visit our website at [wp.NCIAIA.org](http://wp.NCIAIA.org) for additional information and to become a member.

Please complete the Membership Application form and mail it along with your \$50.00 annual membership fee and your agency will become an active member.

I look forward to seeing your agency name added to the 2019 membership roster and seeing your Internal Affairs officers at our training.
